To whom it may concern;

The following is a list of the experience and knowledge I could bring to the Board of Adjustments should I be chosen to serve:

30 years a resident of the area. (1981-2014)

30 plus years in the construction industry.

11 years' experience with municipal government.( planning and zoning, boards of adjustment, building construction issues)

Have a working knowledge of platting, subdivision regulation and land use.

Have a working knowledge of the building codes.

Thank you for consideration for the board

To Whom It May Concern;

As you know, I am very interested in the good of Ingleside and serving our citizens. I have been a county/city election worker for some 8 years now; mostly at the Humble Center. I am currently president of the San Patricio County Retired Teachers Association. I am past vice president of the Ingleside Friends of the Library. I am a member of IUMC, where I sing in the choir, and serve in many ways; including, serving as part of the IUMW, and touching our community in many varied ways. I also substitute teach in Ingleside ISD and for Aransas Pass ISD. Further, I serve many area groups around the Ingleside area. One such group is the Coastal Bend Marine Corp League, where I serve on the Memorial Team. I am treasurer of my Emmaus Reunion group. The named above are just a quick over view of my area service. I would be happy to add details if called upon.

Since retiring in 2005, and moving to Ingleside, it has been my pleasure serve and give back. I thank you for considering me for the Advisory Committee, and this opportunity to serve my community. I can promise you nothing short of my best efforts.

Please contact me at [REDACTED] for anything further. Hoping to hear from you soon.

Sincerely,  
Diane Brady
